# **Introduction**

The purpose of this handbook is to provide information that will help with questions and pave the way for a successful year. Not all district policies and procedures are included. Those that are, have been summarized. Suggestions for additions and improvements to this handbook are welcome and may be sent to BRISD Administration Office.

This handbook is neither a contract nor a substitute for the official district policy manual. Nor is it intended to alter the at-will status of noncontract employees in any way. Rather, it is a guide to and a brief explanation of district policies and procedures related to employment. These policies and procedures can change at any time; these changes shall supersede any handbook provisions that are not compatible with the change. For more information, employees may refer to the policy codes that are associated with handbook topics, confer with their supervisor, or call the appropriate district office. District policies can be accessed online at [www.brid.net](http://www.brid.net).

# District Information

## **Mission Statement, Goals, and Objectives**

*Policy AE*

## **Board of Trustees**

*Policies BA, BB series, BD series, and BE series*

Texas law grants the board of trustees the power to govern and oversee the management of the district's schools. The board is the policy-making body within the district and has overall responsibility for the curriculum, school taxes, annual budget, employment of the superintendent and other professional staff, and facilities. The board has complete and final control over school matters within limits established by state and federal laws and regulations.

The board of trustees is elected by the citizens of the District to represent the community's commitment to a strong educational program for the District's children. Board members serve four-year terms and are elected in six single member districts and one member is elected at-large. Trustees serve without compensation, must be qualified voters, and must reside in the district.

Regular meetings are held the third Monday of the month at 6:00 pm. In the event that large attendance is anticipated, the board may meet at an alternate location. Special meetings may be called when necessary. A written notice of regular and special meetings will be posted on the district website and at the front door of the Administration Building at least 72 hours before the scheduled meeting time. The written notice will show the date, time, place, and subjects of each meeting. In emergencies, a meeting may be held with a two-hour notice.

All meetings are open to the public. In certain circumstances, Texas law permits the board to go into a closed session from which the public and others are excluded. Closed session may occur for such things as discussing prospective gifts or donations, real-property acquisition, certain personnel matters including employee complaints, security matters, student discipline, or consulting with attorneys regarding pending litigation.

# **Employment**

## **Equal Employment Opportunity**

*Policies DAA, DIA*

Blue Ridge ISD does not discriminate against any employee or applicant for employment because of race, color, religion, gender, sex, national origin, age, disability, military status, genetic information, or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

Employees with questions or concerns about discrimination based on sex, including sexual harassment should contact [melissa.stiney@brisd.net](mailto:melissa.stiney@brisd.net), the district Title IX coordinator. Employees with questions or concerns about discrimination on the basis of a disability should contact [missy.douglas@brisd.net](mailto:missy.douglas@brisd.net) the district ADA/Section 504 coordinator. Questions or concerns relating to discrimination for any other reason should be directed to the Superintendent.

## **Job Vacancy Announcements**

*Policy DC*

To the extent possible, announcements of job vacancies are posted on a regular basis on the District's website. Employees interested in being considered for a vacant position should apply through the District's electronic application system, accessible on Teacher Job Network website. Teachers wishing to change campuses should indicate their desire on the teacher intent form that is available and then complete a transfer request form. Employment after Retirement

*Policy DC*

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed under certain circumstances on a full- or part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication *Employment after Retirement*. Employees can contact TRS for additional information by calling 800-223-8778 or 512-542-6400. Information is also available on the TRS Website ([www.trs.texas.gov](http://www.trs.texas.gov)).

## Contract and Noncontract Employment

### *Policy DC series*

The District issues probationary and term contracts to some professional employees.

**Probationary contract employment** – Principals, assistant principals, teachers, counselors, nurses, librarians, and other full time professional employees in positions requiring a certificate from the State Board for Educator Certification (SBEC) receive probationary contracts for their first full year of employment. Former employees who are hired after a two-year lapse in District employment or employees who move to a position requiring a new class of certification also may be employed by probationary contract. The probationary period for those who have been employed as a teacher in public schools for at least five of the eight years preceding employment with the District is two school years. For those with less experience, the probationary period will be three school years, with an optional fourth school year if the board determines it is doubtful whether a term or continuing contract should be given.

Term contract employment – Principals, assistant principals, teachers, counselors, nurses, librarians and other full time professional employees in positions requiring a certificate from the SBEC are employed under one-year term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees receive access to their contract in Employee Access Center, may print the contract and may review the employment policies online at <http://www.brisd.net>

**Non-Chapter 21 contract employment** – JROTC instructors are employed on non-Chapter 21 contracts that are not governed by Education Code Chapter 21.

**At-will employment** – All classified employees (clerical, paraprofessional, manual trades, and technology), regardless of certification, are employed at-will and not by contract. Some professional support positions are also employed on an at-will basis. At-will employment is not for any specified term and may be terminated at any time for any reason or no reason by either the employee or the District. At-will employees are issued letters of reasonable assurance.

## Certification and Licenses

### *Policies DBA, DF*

Professional employees whose positions require SBEC certification or professional license are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to the Human Resources Department in a timely manner.

A certified employee's contract may be voided without due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements

necessary to renew or extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual's failure to comply with criminal history background checks. Contact the Human Resources Department if you have questions regarding certification or licensure requirements.

## **Recertification of Employment Authorization**

### *Policy DC*

At the time of hire all employees must complete the Employment Eligibility Verification Form (Form I-9) and present documents to verify identity and employment authorization.

Employees whose immigration status, employment authorization, or employment authorization documents have expired must present new documents that show current employment authorization. Employees should file the necessary application or petition sufficiently in advance to ensure that they maintain continuous employment authorization or valid employment authorization documents. Contact the Human Resource Department if you have any questions regarding reverification of employment authorization.

## **Searches and Alcohol and Drug Testing**

### *Policy CQ, DHE*

There is a reduced expectation of privacy in the workplace. The District may search the workplace, including accessing an employee's desk, computer, file cabinets, and work area to obtain information needed for usual business purposes whether the employee is available or unavailable. In addition, the District may conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. A search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The District may search the employee, the employee's personal items, and work areas including district-owned technology resources, lockers, and private vehicles parked on District premises or work sites or used in District business. Searches that reveal a violation of the District's standards of conduct may result in disciplinary action.

The District may remove an employee from duty and require testing if there is reasonable suspicion that the employee is under the influence of alcohol or drugs used in violation of District policy. The determination of reasonable suspicion may be based on specific observations of the appearance, behavior, speech, or body odors of the employee whose motor ability, emotional equilibrium, or mental acuity seems to be impaired while on duty or other relevant information. Any employee who is asked to submit to a drug or alcohol screening shall be given the opportunity to provide relevant information about prescription or nonprescription medications that may affect the screening.

A District employee who refuses to comply with a directive to submit to testing based upon reasonable suspicion shall be subject to disciplinary action, up to and including termination. A

District employee confirmed to have violated the District's policy pertaining to alcohol or drugs may be subject to disciplinary action.

**Employees Required to Have a Commercial Driver's License.** Any employee whose duties require a commercial driver's license (CDL) is subject to drug and alcohol testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people counting the driver, drivers of large vehicles, or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees required to have a CDL or who otherwise are subject to alcohol and drug testing will receive a copy of the district's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs.

Employees with questions or concerns relating to alcohol and drug testing policies and related educational material should contact Human Resources.

## **Health Safety Training**

### *Policies DBA, DMA*

Certain employees who are involved in physical activities for students must maintain and submit to the district proof of current certification or training in first aid, cardiopulmonary resuscitation (CPR), the use of an automated external defibrillator (AED), concussion, and extracurricular athletic activity safety. Certification or documentation of training must be issued by the American Red Cross, the American Heart Association, University Interscholastic League, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to District Nurse in Health Service Office.

School nurses and employees with regular contact with students must complete a Texas Education Agency approved, online training regarding seizure disorder awareness, recognition, and related first aid.

## **Reassignments and Transfers**

### *Policy DK*

All personnel are subject to assignment and reassignment by the superintendent or designee when the superintendent or designee determines that the assignment or reassignment is in the best interest of the district. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. Extracurricular or supplemental duty assignments may be reassigned at any time unless an extracurricular or supplemental duty assignment is part of a dual-assignment contract. Employees who object to a reassignment may follow the district process for employee complaints as outlined in this handbook and district policy DGBA (Local).

An employee with the required qualifications for a position may request a transfer to another campus or department. . A teacher requesting a transfer to another campus for the following school year must submit a transfer request on the form provided by the District. Requests for transfer during the school year will be considered only when the change will not adversely affect students, after a replacement has been found and with the approval of the receiving supervisor. All transfer requests will be coordinated by the Human Resources Department.

## **Workload and Work Schedules**

### *Policies DEAB, DK, DL*

**Professional Employees** - Professional employees and academic administrators are exempt from overtime pay and are employed on a 10-, 11-, or 12-month basis, according to the work schedules set by the district. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including start and end dates and scheduled holidays will be distributed each school year.

**Classroom teachers** - will have planning periods for instructional preparation including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes within the instructional day. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The district may require teachers to supervise students during lunch one day a week when no other personnel are available.

**Classified employees** – Clerical, paraprofessional, manual trades and most other support staff are classified employees and most are employed at-will and receive notification of the required duty days, holidays, and hours of work for their position annually. These employees must be compensated for overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor. (See Overtime Compensation on page 16 for additional information.

## **Breaks for Expression of Breast Milk**

*Policies DEAB, DG*

The district supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

## **Notification to Parents Regarding Qualifications**

*Policies DK, DBA*

In schools receiving Title I funds, the district is required by the Every Student Succeeds Act (ESSA) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child's teacher. ESSA also requires that parents be notified if their child has been assigned or taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. This notice is not required if parental notice under ESSA is sent. Inappropriately certified or uncertified teachers include individuals on an emergency permit (including individuals waiting to take a certification exam) and individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can call the Human Resource Department.

## **Outside Employment and Private Tutoring**

*Policy DBD*

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the district. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest. Employees are required to also disclose in writing to their immediate supervisor any private tutoring of District students for pay.

## **Performance Evaluation**

*Policy DN series*

Evaluation of an employee's job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the district. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive a copy of their written evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

## **Employee Involvement**

*Policies BQA, BQB*

At both the campus and district levels, Blue Ridge ISD offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the district. As part of the district's planning and decision-making process, employees are elected to serve on district- or campus-level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office or from the Director of Curriculum.

## **Professional Learning**

*Policy DMA*

Professional learning is organized to meet the needs of employees and the District. Professional learning for instructional personnel is predominantly campus-based and related to achieving campus performance objectives. Professional learning for noninstructional personnel is designed to meet specific licensing requirements (e.g., bus drivers) and skill development.

Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation, and renewing certifications with SBEC.

# Compensation and Benefits

## Salaries, Wages, and Stipends

*Policies DEA, DEAA, DEAB*

Employees are paid in accordance with administrative guidelines and an established pay structure. The district's pay plans are reviewed by the administration each year and adjusted as needed. All district positions are classified as exempt or nonexempt according to federal law. Professional employees and academic administrators are generally classified as exempt and are paid monthly salaries. They are not entitled to overtime compensation. Other employees are generally classified as nonexempt and are paid an hourly wage or salary and receive compensatory time or overtime pay for each hour worked beyond 40 in a work week. (See *Overtime Compensation*, page 16.)

All employees will receive written notice of their pay and work schedules before the start of each school year. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the district's extra-duty pay schedule.

The District pays all salaried employees over 12 months regardless of the number of months employed during the school year. Salaried employees will be paid in equal monthly payments, beginning with the first pay period of the school year. Employees that separate after the last day of instruction will continue to receive paychecks through the end of August.

## Paychecks

All professional and salaried employees are paid monthly. Hourly employees are paid every two weeks. Paychecks will not be released to any person other than the district employee named on the check without the employee's written authorization.

The schedule of pay dates for the 2020–2021 school year as follows:

July 24, 2020	February 25, 2021
August 24, 2020	March 25, 2021
September 25, 2020	April 22, 2021
October 23, 2020	May 21, 2021
November 20, 2020	June 25, 2021
December 18, 2020	July 23, 2021
January 21, 2021	August 20, 2021

## **Automatic Payroll Deposit**

Employees can have their paychecks electronically deposited into a designated account. A notification period of 30 days is necessary to activate this service. Contact Payroll & Benefits Office at 972-752-5554 x352 for more information about the automatic payroll deposit service.

## **Payroll Deductions**

### *Policy CFEA*

The district is required to make the following automatic payroll deductions:

- Teacher Retirement System of Texas (TRS) or Social Security employee contributions
- Federal income tax required for all full-time employees
- Medicare tax (applicable only to employees hired after March 31, 1986)
- Court-ordered withholding, including child support and spousal maintenance
- Garnishments, including delinquent federal education loan payments
- FICA alternative plan contributions for temporary and part-time employees not eligible for TRS.

Salary deductions are automatically made for unauthorized or unpaid leave. Payroll deductions employees may elect include deductions for the employee's share of premiums for health, dental, life, and vision insurance; annuities; and higher education savings plans or prepaid tuition programs. Employees also may request payroll deduction for payment of membership dues to professional organizations.

## **Overtime Compensation**

### *Policies DEAB, DEC*

The district compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor. A nonexempt employee who works overtime without prior approval will be subject to disciplinary action.

Overtime is legally defined as all hours worked in excess of 40 hours in a workweek and is not measured by the day or by the employee's regular work schedule. For the purpose of calculating overtime, a workweek begins at 12:00 a.m. Sunday and ends at 11:59 p.m. Saturday.

Nonexempt employees that are paid on a salary basis are paid for the hours set by the normal work schedule. Hours worked beyond the normal schedule up to 40 hours will be paid at a regular rate of pay.

Employees may be compensated for overtime (i.e., hours beyond 40 in a workweek) at time-and-a-half rate with compensatory time off (comp time) or direct pay. The following applies to all nonexempt employees:

- Employees can accumulate up to 16 hours of comp time.
- Comp time must be used in the duty year that it is earned.
- Use of comp time may be at the employee's request with supervisor approval, as workload permits, or at the supervisor's direction.
- An employee may be required to use comp time before using available paid leave (e.g., sick, personal, vacation).
- Weekly time records will be maintained on all nonexempt employees for the purpose of wage and salary administration.

## **Travel Expense Reimbursement**

### *Policy DEE*

Before any travel expenses are incurred by an employee, the employee's supervisor and business office must give approval. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule established by the district. Employees must submit receipts, to the extent possible, to be reimbursed for allowable expenses other than mileage.

## **Health, Dental, and Life Insurance**

### *Policy CRD*

Group health insurance coverage is provided through TRS-ActiveCare, the statewide public school employee health insurance program. The district's contribution to employee insurance premiums is determined annually by the board of trustees. Employees eligible for health insurance coverage include the following:

- Employees who are active, contributing TRS members
- Employees who are not contributing TRS members and who are employed for 10 or more regularly scheduled hours per week

TRS retirees who are enrolled in TRS-Care (retiree health insurance program) are not eligible to participate in TRS-ActiveCare.

The insurance plan year is from September 1 through August 31. Current employees can make changes in their insurance coverage during open enrollment each year or when they experience

a qualifying event (e.g., marriage, divorce, birth). New employees must enroll within the first 30 days of employment.

Detailed descriptions of plan options, benefits, prices, eligibility requirements, network providers, prescription drug services, and other information are available from the following:

- TRS website at [http://www.trs.state.tx.us/global.jsp?page\\_id=/TRS\\_activecare/plans](http://www.trs.state.tx.us/global.jsp?page_id=/TRS_activecare/plans)
- BRISD <http://www.brisd.net> (under staff directory>TRS Active Care) or by calling Payroll & Benefits at 972-752-5554 x352.

The District is committed to protecting the privacy and security of all private health information created or received in relation to employees and their families under the District's group health plan. A notice of privacy practices is available on the district's website or from the Payroll & Benefits Office.

## **Supplemental Insurance Benefits**

### *Policy CRD*

At their own expense, employees may enroll in supplemental insurance programs such as: disability, cancer, heart/stroke, dental, vision, and life. Premiums are payroll deducted.

Employees may enter into salary reduction agreements for qualified investment products as approved by the Internal Revenue Service, such as 403(b)/403(b)(7), Roth 403(b) and 457 plans. Additional information is included in the appendix. Employees may also call the Payroll & Benefits Office at 972-752-5554 x352.

## **Cafeteria Plan Benefits (Section 125)**

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., disability, accidental death and dismemberment, cancer and dread disease, dental, and additional term life insurance). A third-party administrator handles employee claims made on these accounts.

New employees must contact Payroll & Benefits Office to accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis and during the specified time period.

## **Workers' Compensation Insurance**

### *Policy CRE*

The District, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related injury or illness. The District has workers' compensation coverage from Texas Workers' Compensation Solutions. Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries shall be reported immediately to the employee's supervisor and then to the Payroll & Benefits Office at 972-752-5554 x 352. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code. For information on use of paid leave for such absences contact the Payroll & Benefits Office at 972-752-5554 x352.

## **Unemployment Compensation Insurance**

### *Policy CRF*

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the Human Resources Department at 972-752-5554 x352 or Texas Workforce Solutions at 1-800-939-6631.

## **Teacher Retirement**

All personnel employed on a regular basis for at least four and one-half months are members of the Teacher Retirement System of Texas (TRS). Substitutes not receiving TRS service retirement benefits who work at least 90 days a year are eligible to purchase a year of creditable service in TRS. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the Human Resources Department at 972-752-5554 x352 or Texas Workforce Solutions at 1-800-939-6631. 8778 or 512-542-6400. TRS information is also available at <http://www.trs.texas.gov>.

## Leaves and Absences

### *Policies DEC, DECA, DECB*

The district offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than five days should call 972-752-5553 X 351 for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the district.

Paid leave must be used in ½ day or full day increments. Earned comp time must be used before any available paid state and local leave. Unless an employee requests a different order, available paid state and local leave will be used in the following order:

- Comp Time
- Local Leave
- State Leave

Employees must follow district and department or campus procedures to report or request any leave of absence and complete the appropriate form or certification.

**Immediate Family.** For purposes of leave other than family and medical leave, immediate family is defined as the following:

- Spouse
- Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands in loco parentis.
- Parent, stepparent, parent-in-law, or other individual who stands in loco parentis to the employee.
- Sibling, stepsibling, and sibling-in-law
- Grandparent and grandchild
- Any person residing in the employee's household at the time of illness or death

For purposes of family and medical leave, the definition of family is limited to spouse, parent, son or daughter, and next of kin. The definition of these are found in Policy DECA (LEGAL).

**Medical Certification.** Any employee, who is absent more than 5 days because of a personal or family illness, must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and—in the case of personal illness—the employee's fitness to return to work.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. 'Genetic information,' as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member, or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

**Continuation of Health Insurance.** Employees, on an approved leave of absence other than family and medical leave, may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under the Family and Medical Leave Act will be paid by the district as they were prior to the leave. Otherwise, the district does not pay any portion of insurance premiums for employees who are on unpaid leave.

Under TRS-Active Care rules, an employee is no longer eligible for insurance through the district after six months of unpaid leave other than FML. If an employee's unpaid leave extends for more than six months, the district will provide the employee with notice of COBRA rights.

## Personal Leave

State law entitles all employees to five days of paid personal leave per year. Personal leave is available for use at the beginning of the year. A day of personal leave is equivalent to the number of hours per day in an employee's usual assignment, whether full-time or part-time. State personal leave accumulates without limit, is transferable to other Texas school districts, and generally transfers to education service centers. Personal leave may be used for two general purposes: nondiscretionary and discretionary.

**Nondiscretionary.** Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered nondiscretionary leave. Reasons for this type of leave allow very little, if any, advance planning. Nondiscretionary may be used in the same manner as state sick leave.

**Discretionary.** Leave taken at an employee's discretion that can be scheduled in advance is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a request to his or her principal or supervisor 7 days in advance of the anticipated absence. The effect of the employee's absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal or supervisor.

**Leave Proration.** If an employee separates from employment with the district before his or her last duty day of the year, or begins employment after the first duty day, state personal leave

will be prorated based on the actual time employed. When an employee separates from employment before the last duty day of the school year, the employee's final paycheck will be reduced by the amount of state personal leave the employee used beyond his or her pro rata entitlement for the school year.

## **State Sick Leave**

State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas. State sick leave can be used only in ½ day or full day increments, except when coordinated with family and medical leave taken on an intermittent or reduced-schedule basis or when coordinated with workers' compensation benefits.

State sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

## **Local Leave**

*Policy DEC*

## **Vacation**

*Policy DED*

## **Sick Leave Bank (or Pool)**

Employees will have the opportunity to enroll in the Blue Ridge ISD Sick Leave Bank. The purpose of the sick leave bank is to provide additional sick leave days to members of the Bank in the event of a critical, life-threatening, catastrophic illness, injury, or non-elective/emergency surgery and the member is unable to perform the duties of their current job. Days may be requested from the Bank only after the member has exhausted all accumulated personal state days and local days. (This includes paid vacation days.)

## **Family and Medical Leave Act (FMLA)—General Provisions**

The following text is from the federal notice, *Employee Rights and Responsibilities Under the Family and Medical Leave Act*. Specific information that the district has adopted to implement the FMLA follows this general notice.

### **Leave Entitlements**

Eligible employees who work for a covered employer can take up to 12 weeks of unpaid, job-protected leave in a 12-month period for the following reasons:

- The birth of a child or placement of a child for adoption or foster care;
- To bond with a child (leave must be taken within 1 year of the child’s birth or placement);
- To care for the employee’s spouse, child, or parent who has a qualifying serious health condition;
- For the employee’s own qualifying serious health condition that makes the employee unable to perform the employee’s job;
- For qualifying exigencies related to the foreign deployment of a military member who is the employee’s spouse, child, or parent.

An eligible employee who is a covered service member’s spouse, child, parent, or next of kin may also take up to 26 weeks of FMLA leave in a single 12-month period to care for the service member with a serious injury or illness.

An employee does not need to use leave in one block. When it is medically necessary or otherwise permitted, employees may take leave intermittently or on a reduced schedule.

Employees may choose, or an employer may require, use of accrued paid leave while taking FMLA leave. If an employee substitutes accrued paid leave for FMLA leave, the employee must comply with the employer’s normal paid leave policies.

### **Benefits and Protections**

While employees are on FMLA leave, employers must continue health insurance coverage as if the employees were not on leave.

Upon return from FMLA leave, most employees must be restored to the same job or one nearly identical to it with equivalent pay, benefits, and other employment terms and conditions.

An employer may not interfere with an individual's FMLA rights or retaliate against someone for using or trying to use FMLA leave, opposing any practice made unlawful by the FMLA, or being involved in any proceeding under or related to the FMLA.

### **Eligibility Requirements**

An employee who works for a covered employer must meet three criteria in order to be eligible for FMLA leave. The employee must:

- Have worked for the employer for at least 12 months;
- Have at least 1,250 hours of service in the 12 months before taking leave;\* and
- Work at a location where the employer has at least 50 employees within 75 miles of the employee's worksite.

\*Special hours of service eligibility requirements apply to airline flight crew employees.

### **Requesting Leave**

Generally, employees must give 30-days' advance notice of the need for FMLA leave. If it is not possible to give 30-days' notice, an employee must notify the employer as soon as possible and, generally, follow the employer's usual procedures.

Employees do not have to share a medical diagnosis but must provide enough information to the employer so it can determine if the leave qualifies for FMLA protection.

Sufficient information could include informing an employer that the employee is or will be unable to perform his or her job functions, that a family member cannot perform daily activities, or that hospitalization or continuing medical treatment is necessary. Employees must inform the employer if the need for leave is for a reason for which FMLA leave was previously taken or certified.

Employers can require a certification or periodic recertification supporting the need for leave. If the employer determines that the certification is incomplete, it must provide a written notice indicating what additional information is required.

### **Employer Responsibilities**

Once an employer becomes aware that an employee's need for leave is for a reason that may qualify under the FMLA, the employer must notify the employee if he or she is eligible for FMLA leave and, if eligible, must also provide a notice of rights and responsibilities under the FMLA. If the employee is not eligible, the employer must provide a reason for ineligibility.

Employers must notify its employees if leave will be designated as FMLA leave, and if so, how much leave will be designated as FMLA leave.

### **Enforcement**

Employees may file a complaint with the U.S. Department of Labor, Wage and Hour Division, or may bring a private lawsuit against an employer.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

## **Local Family and Medical Leave Provisions**

**Eligibility** - Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period

- from July 1 through June 30

**Use of Paid Leave.** FML runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or injury. The district will designate the leave as FML, if applicable, and notify the employee that accumulated leave will run concurrently.

**Combined Leave for Spouses.** Spouses who are employed by the district are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

**Intermittent Leave.** When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The district does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee.

**Fitness for Duty.** An employee that takes FML due to the employee's own serious health condition shall provide, before resuming work, a fitness-for-duty certification from the health care provider. If certification of the employee's ability to perform essential job function is

required, the district shall provide a list of essential job functions (e.g., job description) to the employee with the FML designation notice to share with the health care provider.

**Reinstatement.** An employee returning to work at the end of FML will be returned to the same position held when the leave began or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

In certain cases, instructional employees desiring to return to work at or near the conclusion of a semester may be required to continue on family and medical leave until the end of the semester. The additional time off is not counted against the employee's FML entitlement, and the district will maintain the employees group health insurance and reinstate the employee at the end of the leave according the procedures outlined in policy (see DECA (LEGAL)).

**Failure to Return.** If, at the expiration of FML, the employee is able to return to work but chooses not to do so, the district may require the employee to reimburse the district's share of insurance premiums paid during any portion of FML when the employee was on unpaid leave. If the employee fails to return to work for a reason beyond the employee's control, such as a continuing personal or family serious health condition or a spouse being unexpectedly transferred more than 75 miles from the district, the district may not require the employee to reimburse the district's share of premiums paid.

**District Contact.** Employees that require FML or have questions should contact 972-752-5554 X352 for details on eligibility, requirements, and limitations.

## **Temporary Disability Leave**

**Certified Employees.** Any full-time employee whose position requires certification from the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. An employee's notification of need for extended absence due to the employee's own medical condition shall be accepted as a request for temporary disability leave. The request must be accompanied by a physician's statement confirming the employee's inability to work and estimating a probable date of return. If disability leave is approved, the length of leave is no longer than 180 calendar days.

If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the board of trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, 972-752-5554 X352 should be notified at least 30 days in advance. The return-to-work notice must be accompanied by a physician's statement confirming that the employee is able to resume regular duties. Certified employees returning from leave will be reinstated to the school to which they were previously assigned if an appropriate position is available. If an appropriate position is not available, the employee may be assigned to another campus, subject to the approval of the campus principal. If a position is not available before the end of the school year, the employee will be reinstated to a position at the original campus at the beginning of the following school year.

## **Workers' Compensation Benefits**

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven calendar days.

An employee receiving workers' compensation wage benefits for a job-related illness or injury may choose to use accumulated sick leave or any other paid leave benefits. An employee choosing to use paid leave will not receive workers' compensation weekly income benefits until all paid leave is exhausted or to the extent that paid leave does not equal the pre-illness or -injury wage. If the use of paid leave is not elected, then the employee will only receive workers' compensation wage benefits for any absence resulting from a work-related illness or injury, which may not equal his or her pre-illness or -injury wage.

## **Assault Leave**

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An incident involving an assault is a work-related injury and should be immediately reported to 972-752-5554 X352.

An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person nonresponsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation the district may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

## **Bereavement Leave**

The District shall provide three additional days of leave in the event of death in the immediate family (DEC Local). Bereavement (compassionate) leave shall be taken with no loss of pay. An employee shall be permitted to take leave intermittently or consecutively, but the total days taken for this purpose shall not exceed the three days provided by the District per occurrence of a death in the immediate family.

## **Jury Duty**

The district provides paid leave to employees who are summoned to jury duty including service on a grand jury. Employees who report to the court for jury duty may keep any compensation the court provides. An employee should report a summons for jury duty to his or her supervisor as soon as it is received and may be required to provide the district a copy of the summons to document the need for leave.

An employee may be required to report back to work as soon as they are released from jury duty. The supervisor may consider the travel time required and the nature of the individual's position when determining the need to report to work. A copy of the release from jury duty or documentation of time spent at the court may be required.

## **Compliance with a Subpoena**

Employees will be paid while on leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding and will not be required to use personal leave. Employees may be required to submit documentation of their need for leave for court appearances.

## **Truancy Court Appearances**

An employee who is a parent, guardian of a child, or a court-appointed guardian ad litem of a child who is required to miss work to attend a truancy court hearing may use personal leave or compensatory time for the absence. Employees who do not have paid leave available will be docked for any absence required because of the court appearance.

## **Religious Observance**

The district will reasonably accommodate an employee's request for absence for a religious holiday or observance. Accommodations such as changes to work schedules or approving a day

of absence will be made unless they pose an undue hardship to the district. The employee may use any accumulated personal leave for this purpose. Employees who have exhausted applicable paid leave may be granted an unpaid day of absence.

## **Military Leave**

**Paid Leave for Military Service.** Any employee who is a member of the Texas National Guard, Texas State Guard, reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to paid leave when engaged in authorized training or duty orders by proper authority. Paid military leave is limited to 15 days each fiscal year. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

**Reemployment after Military Leave.** Employees who leave the district to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be reemployed provided they can be qualified to perform the required duties. Employees returning to work following military leave should contact 972-752-5554 X352. In most cases, the length of federal military service cannot exceed five years.

**Continuation of Health Insurance.** Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact 972-752-5554 X352 for details on eligibility, requirements, and limitations.

# **Employee Relations and Communications**

## **Employee Recognition and Appreciation**

Continuous efforts are made throughout the year to recognize employees who make an extra effort to contribute to the success of the district. Employees are recognized at board meetings, in the district newsletter, and through special events and activities.

## **District Communications**

Throughout the school year, the administrative office and campuses publish newsletters, brochures, fliers, calendars, news releases, and other communication materials. These publications offer employees and the community information pertaining to school activities and achievements. They include the following:

# Complaints and Grievances

## *Policy DGBA*

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the board has adopted an orderly grievance process. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time.

The formal process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, employees can bring concerns or complaints to the board of trustees. For ease of reference, the district's policy concerning the process of bringing concerns and complaints is Policy DGBA as follows:

[DGBA](#)(LOCAL)

## **PERSONNEL-MANAGEMENT RELATIONS: EMPLOYEE COMPLAINTS/GRIEVANCES**

### **GUIDING PRINCIPLES**

**INFORMAL PROCESS** – The Board encourages employees to discuss their concerns and complaints through informal conferences with their supervisor, principal, or other appropriate administrator. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

**DIRECT COMMUNICATION WITH BOARD MEMBERS** – Employees shall not be prohibited from communicating with a member of the Board regarding District operations except when communication between an employee and a Board member would be inappropriate because of a pending hearing or appeal related to the employee.

**FORMAL PROCESS** – If an informal conference regarding a complaint fails to reach the outcome requested by the employee, he or she may initiate the formal process described below by timely filing a written complaint form. Even after initiating the formal complaint process, employees are encouraged to seek informal resolution of their concerns. An employee whose concerns are resolved may withdraw a formal complaint at any time. The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or “mini-trial” at any level.

**NOTICE TO EMPLOYEES** – The District shall inform employees of this policy.

**FREEDOM FROM RETALIATION** – Neither the Board nor any District employee shall unlawfully retaliate against an employee for bringing a concern or complaint

**WHISTLEBLOWER COMPLAINTS** – Whistleblower complaints shall be filed within the time specified by law and may be made to the Superintendent or designee beginning at Level Two. Time lines for the employee and the District set out in this policy may be shortened to allow the Board to make a final decision within 60 calendar days of the initiation of the complaint. [See DG]

**COMPLAINTS AGAINST SUPERVISORS** – Complaints alleging a violation of law by a supervisor may be made to the Superintendent or designee. Complaints alleging a violation of law by the Superintendent may be made directly to the Board or designee.

**COMPLAINTS** – In this policy, the terms “complaint” and “grievance” shall have the same meaning. This policy shall apply to all employee complaints, except as provided below.

**EXCEPTIONS** – This policy shall not apply to:

1. Complaints alleging discrimination, including violations of Title IX (gender), Title VII (sex, race, color, religion, national origin), ADEA (age), or Section 504 (disability). [See DIA]
2. Complaints alleging certain forms of harassment, including harassment by a supervisor and violations of Title VII. [See DIA]
3. Complaints concerning retaliation relating to discrimination and harassment. [See DIA]
4. Complaints concerning instructional materials. [See EFA]
5. Complaints concerning a commissioned peace officer who is an employee of the District. [See CKE]
6. Complaints arising from the proposed nonrenewal of a term contract issued under Chapter 21 of the Education Code. [See DFBB]
7. Complaints arising from the proposed termination or suspension without pay of an employee on a probationary, term, or continuing contract issued under Chapter 21 of the Education Code during the contract term. [See DFAA, DFBA, or DFCA, respectively]

## **GENERAL PROVISIONS**

**FILING** – Complaint forms and appeal notices may be filed by hand-delivery, fax, or U.S. Mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Fax filings shall be timely filed if they are received on or before the deadline, as indicated by the date/time shown on the fax copy. Mail filings shall be timely filed if they are postmarked by U.S. Mail on or before the deadline and received by the appropriate administrator or designated representative no more than three days after the deadline.

**RESPONSE** – At Levels One and Two, “response” shall mean a written communication to the employee from the appropriate administrator. Responses may be hand-delivered or sent by U.S. Mail to the employee’s mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

**DAYS** – “Days” shall mean District business days, unless otherwise noted. In calculating time lines under this policy, the day a document is filed is “day zero.” The following business day is “day one.”

**REPRESENTATIVE** – “Representative” shall mean any person who or an organization that does not claim the right to strike and is designated by the employee to represent him or her in the complaint process. The employee may designate a representative through written notice to the District at any level of this process. If the employee designates a representative with fewer than three days’ notice to the District before a scheduled conference or hearing, the District may reschedule the conference or hearing to a

later date, if desired, in order to include the District's counsel. The District may be represented by counsel at any level of the process.

**CONSOLIDATING COMPLAINTS** – Complaints arising out of an event or a series of related events shall be addressed in one complaint. Employees shall not bring separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint. When two or more complaints are sufficiently similar in nature and remedy sought to permit their resolution through one proceeding, the District may consolidate the complaints.

**UNTIMELY FILINGS** – All time limits shall be strictly followed unless modified by mutual written consent. If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the employee, at any point during the complaint process. The employee may appeal the dismissal by seeking review in writing within ten days from the date of the written dismissal notice, starting at the level at which the complaint was dismissed. Such appeals shall be limited to the issue of timeliness.

**COSTS INCURRED** – Each party shall pay its own costs incurred in the course of the complaint.

**COMPLAINT FORM** – Complaints under this policy shall be submitted in writing on a form provided by the District. Copies of any documents that support the complaint should be attached to the complaint form. If the employee does not have copies of these documents, they may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the employee unless the employee did not know the documents existed before the Level One conference. A complaint form that is incomplete in any material aspect may be dismissed, but may be re-filed with all the required information if the re-filing is within the designated time for filing a complaint.

**AUDIO RECORDING** – As provided by law, an employee shall be permitted to make an audio recording of a conference or hearing under this policy at which the substance of the employee's complaint is discussed. The employee shall notify all attendees present that an audio recording is taking place.

**LEVEL ONE** – Complaint forms must be filed:

1. Within 15 days of the date the employee first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

In most circumstances, employees on a school campus shall file Level One complaints with the campus principal; other District employees shall file Level One complaints with their immediate supervisor.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Two following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and hold a conference with the employee within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

The administrator shall provide the employee a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

**LEVEL TWO** – If the employee did not receive the relief requested at Level One or if the time for a response has expired, the employee may request a conference with the Superintendent or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The employee may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the employee at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent or designee shall hold a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues presented by the employee at Level One and identified in the Level Two appeal notice. At the conference, the employee may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent or designee may set reasonable time limits for the conference.

The Superintendent or designee shall provide the employee a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

**LEVEL THREE** – If the employee did not receive the relief requested at Level Two or if the time for a response has expired, the employee may appeal the decision to the Board. The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

The Superintendent or designee shall inform the employee of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board. The Superintendent or designee shall provide the Board the record of the Level Two complaint. The employee may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The written response issued at Level Two and any attachments.
3. All other documents relied upon by the administration in reaching the Level Two decision.

If at the Level Three hearing the administration intends to rely on evidence not included in the Level Two record, the administration shall provide the employee notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation including an opportunity for the employee and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the employee or the employee's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

If the campus principal, supervisor, or district official is the subject of a complaint, the complaint should be made directly to the superintendent. A complaint against the superintendent may be made directly to the board.

***Note:** This policy addresses discrimination, harassment and retaliation involving District employees. In this policy, the term "employees" includes former employees and applicants for employment. For discrimination, harassment, and retaliation involving students, see FFH. For reporting requirements related to child abuse and neglect, see FFG.*

---

**STATEMENT OF NONDISCRIMINATION** – The District prohibits harassment against any employee on the basis of race, color, religion, gender, national origin, age, disability, or any other basis prohibited by law. Retaliation against anyone involved in the complaint process is a violation of District policy.

**HARASSMENT** – Prohibited harassment of an employee is defined as physical, verbal, or nonverbal conduct based on an employee's race, color, religion, gender, national origin, age, disability, or any other basis prohibited by law, when the conduct is so severe, persistent, or pervasive that the conduct:

1. Has the purpose or effect of unreasonably interfering with the employee's work performance;

2. Creates an intimidating, threatening, hostile, or offensive work environment; or
3. Otherwise adversely affects the employee's performance, environment or employment opportunities.

**EXAMPLES** – Examples of prohibited harassment may include offensive or derogatory language directed at another person's religious beliefs or practices, accent, skin color, gender identity, or need for workplace accommodation; threatening or intimidating conduct; offensive jokes, name calling, slurs, or rumors; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other stereotypes; or other types of aggressive conduct such as theft or damage to property.

**SEXUAL HARASSMENT** – Sexual harassment is a form of sex discrimination defined as unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. Submission to the conduct is either explicitly or implicitly a condition of an employee's employment, or when submission to or rejection of the conduct is the basis for an employment action affecting the employee; or
2. The conduct is so severe, persistent, or pervasive that it has the purpose or effect of unreasonably interfering with the employee's work performance or creates an intimidating, threatening, hostile, or offensive work environment.

**RETALIATION** – The District prohibits retaliation against an employee who makes a claim alleging to have experienced discrimination or harassment, or another employee who, in good faith, makes a report, serves as a witness, or otherwise participates in an investigation

An employee who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding harassment or discrimination is subject to appropriate discipline.

**EXAMPLES** – Examples of retaliation may include termination, refusal to hire, demotion, and denial of promotion. Retaliation may also include threats, unjustified negative evaluations, unjustified negative references, or increased surveillance.

**PROHIBITED CONDUCT** – In this policy, the term "prohibited conduct" includes discrimination, harassment, and retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct.

**TIMELY REPORTING** – Reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act. Any District supervisor who receives a report of prohibited conduct shall immediately notify the appropriate District official listed above and take any other steps required by this policy

**INVESTIGATION OF THE REPORT** – The District may request, but shall not insist upon, a written report. If a report is made orally, the District official shall reduce the report to written form. Upon receipt or notice of a report, the District official shall determine whether the allegations, if proven, would constitute prohibited conduct as defined by this policy. If so, the District official shall immediately authorize or undertake an investigation, regardless of whether a criminal or regulatory investigation regarding the same or similar allegations is pending. If appropriate, the District shall promptly take interim action calculated to prevent prohibited conduct during the course of an investigation. The investigation may be conducted by the District official or a designee, such as the campus principal, or by a third party designated by the District, such as an attorney. When appropriate, the campus principal or supervisor shall be involved in or informed of the investigation. The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

**CONCLUDING THE INVESTIGATION** – Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation. ## **Harassment of Students**

*Policies DH, DHB, FFG, FFH, FFI*

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited. Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. All allegations of prohibited harassment of a student by an employee or adult will be reported to the student’s parents and promptly investigated. An employee who knows of or suspects child abuse must also report his or her knowledge or suspicion to the appropriate authorities, as required by law. See *Reporting Suspected Child Abuse* and *Bullying*, for additional information.

The district’s policy that includes definitions and procedures for reporting and investigating harassment of students is reprinted below:

“Solicitation of a romantic relationship” means deliberate or repeated acts that can be reasonably interpreted as the solicitation by an educator of a relationship with a student that is romantic in nature. A romantic relationship is often characterized by a strong emotional or sexual attachment and/or patterns of exclusivity, but does not include appropriate educator-student relationships that arise out of legitimate contexts such as familial connections or longtime acquaintance. The following acts, considered in context, may constitute prima facie evidence of the solicitation by an educator of a romantic relationship with a student:

1. Behavior, gestures, expressions, or communications with a student that are unrelated to the educator’s job duties and evidence a romantic intent or interest in the student, including statements of love, affection, or attraction. Factors that may be considered in determining the romantic intent of such communications or behavior include:

- a. The nature of the communications;
  - b. The timing of the communications;
  - c. The extent of the communications;
  - d. Whether the communications were made openly or secretly;
  - e. The extent that the educator attempts to conceal the communications;
  - f. If the educator claims to be counseling a student, SBEC may consider whether the educator's job duties included counseling, whether the educator reported the subject of the counseling to the student's guardians or to the appropriate school personnel, or, in the case of alleged abuse or neglect, whether the educator reported the abuse or neglect to the appropriate authorities; and
  - g. Any other evidence tending to show the context of the communications between educator and student.
2. Making inappropriate comments about a student's body, creating or transmitting sexually suggestive photographs or images, or encouraging the student to transmit sexually suggestive photographs or images.
  3. Making sexually demeaning comments to a student.
  4. Making comments about a student's potential sexual performance.
  5. Requesting details of a student's sexual history.
  6. Requesting a date, sexual contact, or any activity intended for the sexual gratification of the educator.
  7. Engaging in conversations regarding the sexual problems, preferences, or fantasies of either party.
  8. Inappropriate hugging, kissing, or excessive touching.
  9. Providing the student with drugs or alcohol.
  10. Violating written directives from school administrators regarding the educator's behavior toward a student.
  11. Suggestions that a romantic relationship is desired after the student graduates, including post-graduation plans for dating or marriage.
  12. Any other acts tending to show that the educator solicited a romantic relationship with the student.

Note: This policy addresses discrimination, harassment, and retaliation involving District students. **Statement of Nondiscrimination-** The District prohibits discrimination, including harassment, against any student on the basis of race, color, religion, sex, gender, national origin, disability, age, or any other basis prohibited by law. The District prohibits dating violence, as defined by this policy. Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited.

**Discrimination -** Discrimination against a student is defined as conduct directed at a student on the basis of race, color, religion, sex, gender, national origin, disability, age, or on any other basis prohibited by law, that adversely affects the student.

**Prohibited Harassment -** Prohibited harassment of a student is defined as physical, verbal, or nonverbal conduct based on the student's race, color, religion, sex, gender, national origin, disability, age, or any other basis prohibited by law that is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;

2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Prohibited harassment includes dating violence as defined by this policy.

**Examples** - Examples of prohibited harassment may include offensive or derogatory language directed at another person's religious beliefs or practices, accent, skin color, or need for accommodation; threatening, intimidating, or humiliating conduct; offensive jokes, name calling, slurs, or rumors; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

### **Sexual Harassment**

**By an Employee** - Sexual harassment of a student by a District employee includes both welcome and unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. A District employee causes the student to believe that the student must submit to the conduct in order to participate in a school program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or
2. The conduct is so severe, persistent, or pervasive that it:
  - a. Affects the student's ability to participate in or benefit from an educational program or activity, or otherwise adversely affects the student's educational opportunities; or
  - b. Creates an intimidating, threatening, hostile, or abusive educational environment.

**By Others** - Romantic or inappropriate social relationships between students and District employees are prohibited. Any sexual relationship between a student and a District employee is always prohibited, even if consensual. [See DH]

Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, or pervasive that it:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

**Examples** - Examples of sexual harassment of a student may include sexual advances; touching intimate body parts or coercing physical contact that is sexual in nature; jokes or conversations of a sexual nature; and other sexually motivated conduct, communications, or contact.

Necessary or permissible physical contact such as assisting a child by taking the child's hand, comforting a child with a hug, or other physical contact not reasonably construed as sexual in nature is not sexual harassment.

**Gender-Based Harassment** - Gender-based harassment includes physical, verbal, or nonverbal conduct based on the student's gender, the student's expression of characteristics perceived as stereotypical for the student's gender, or the student's failure to conform to stereotypical notions of masculinity or

femininity. For purposes of this policy, gender-based harassment is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

**Examples** - Examples of gender-based harassment directed against a student, regardless of the student's or the harasser's actual or perceived sexual orientation or gender identity, may include offensive jokes, name-calling, slurs, or rumors; physical aggression or assault; threatening or intimidating conduct; or other kinds of aggressive conduct such as theft or damage to property.

**Dating Violence** - Dating violence occurs when a person in a current or past dating relationship uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other person in the relationship. Dating violence also occurs when a person commits these acts against a person in a marriage or dating relationship with the individual who is or was once in a marriage or dating relationship with the person committing the offense.

For purposes of this policy, dating violence is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

**Examples** - Examples of dating violence against a student may include physical or sexual assaults; name-calling; put-downs; or threats directed at the student, the student's family members, or members of the student's household. Additional examples may include destroying property belonging to the student, threatening to commit suicide or homicide if the student ends the relationship, attempting to isolate the student from friends and family, stalking, threatening a student's spouse or current dating partner, or encouraging others to engage in these behaviors.

**Retaliation** - The District prohibits retaliation by a student or District employee against a student alleged to have experienced discrimination or harassment, including dating violence, or another student who, in good faith, makes a report of harassment or discrimination, serves as a witness, or participates in an investigation.

**Examples** - Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

**False Claim** - A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding discrimination or harassment, including dating violence, shall be subject to appropriate disciplinary action.

**Prohibited Conduct** - In this policy, the term "prohibited conduct" includes discrimination, harassment, dating violence, and retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct.

Reports concerning prohibited conduct, including reports against the Title IX coordinator or ADA/Section 504 coordinator, may be directed to the Superintendent.

A report against the Superintendent may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation.

**Timely Reporting** - Reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair the District's ability to investigate and address the prohibited conduct.

**Notice to Parents** - The District official or designee shall promptly notify the parents of any student alleged to have experienced prohibited conduct by a District employee or another adult. [For parental notification requirements regarding an allegation of educator misconduct with a student, see FFF.]

**Investigation of the Report** - The District may request, but shall not require, a written report. If a report is made orally, the District official shall reduce the report to written form. Upon receipt or notice of a report, the District official shall determine whether the allegations, if proven, would constitute prohibited conduct as defined by this policy. If so, the District shall immediately undertake an investigation, except as provided below at Criminal Investigation.

If the District official determines that the allegations, if proven, would not constitute prohibited conduct as defined by this policy, the District official shall refer the complaint for consideration under FFI.

If appropriate and regardless of whether a criminal or regulatory investigation regarding the alleged conduct is pending, the District shall promptly take interim action calculated to address prohibited conduct or bullying prior to the completion of the District's investigation.

**District Investigation** - The investigation may be conducted by the District official or a designee, such as the principal, or by a third party designated by the District, such as an attorney. When appropriate, the principal shall be involved in or informed of the investigation.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

**Concluding the Investigation** - Absent extenuating circumstances, such as a request by a law enforcement or regulatory agency for the District to delay its investigation, the investigation should be completed within ten District business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.

The investigator shall prepare a written report of the investigation. The report shall include a determination of whether prohibited conduct or bullying occurred. The report shall be filed with the District official overseeing the investigation.

**District Action** - If the results of an investigation indicate that prohibited conduct occurred, the District shall promptly respond by taking appropriate disciplinary action in accordance with the Student Code of Conduct and may take corrective action reasonably calculated to address the conduct.

**Confidentiality** - To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

**Appeal** - A student or parent who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level. A student or parent shall be informed of his or her right to file a complaint with the United States Department of Education Office for Civil Rights.

## **Reporting Suspected Child Abuse**

*Policies DG, FFG, GRA*

All employees are required by state law to report any suspected child abuse or neglect, as defined by Texas Family Code §261.001, to a law enforcement agency, Child Protective Services (CPS), or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering a facility) within 48 hours of the event that led to the suspicion. Alleged abuse or neglect involving a person responsible for the care, custody, or welfare of the child (including a teacher) must be reported to CPS.

Employees are also required to make a report if they have cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child, elderly person, or person with a disability.

Reports to Child Protective Services can be made online at <https://www.txabusehotline.org/Login/Default.aspx> or to the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from taking an adverse employment action against a certified or licensed professional who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to report suspected child abuse may result in prosecution as a Class A misdemeanor. The offense of failure to report by a professional may be a state jail felony if it is shown the individual intended to conceal the abuse or neglect. In addition, a certified employee's failure to report suspected child abuse may result in disciplinary procedures by SBEC for a violation of the Texas Educators' Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

## **Sexual Abuse and Maltreatment of Children**

The District has established a plan for addressing sexual abuse and other maltreatment of children. As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the

suspected abuse or neglect following the procedures described above in *Reporting Suspected Child Abuse*.

## **Reporting Crime**

### *Policy DG*

The Texas Whistleblower Act protects district employees who make good faith reports of violations of law by the district to an appropriate law enforcement authority. The district is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

## **Technology Resources**

### *Policy CQ*

The district's technology resources, including its networks, computer systems, e-mail accounts, devices connected to its networks, and all district-owned devices used on or off school property, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Imposes no tangible cost to the district.
- Does not unduly burden the district's computer or network resources
- Has no adverse effect on job performance or on a student's academic performance

Electronic mail transmissions and other use of the technology resources are not confidential and can be monitored at any time to ensure appropriate use.

Employees are required to abide by the provisions of the district's acceptable use agreement and administrative procedures. Failure to do so can result in suspension of access or termination of privileges and may lead to disciplinary and legal action. Employees with questions about computer use and data management can contact Melissa Stiney at [melissa@brisd.net](mailto:melissa@brisd.net).

## **Personal Use of Electronic Communications**

### *Policy CQ, DH*

Electronic communications includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), web logs (blogs), wikis, electronic forums (chat rooms), video-sharing websites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). Electronic communications also include all forms of telecommunication such as landlines, cell phones, and web-based applications.

As role models for the district's students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic media as they are for any other public conduct. If an employee's use of electronic media interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the employee's friends, or members of the public who can access the employee's page, and for web links on the employee's page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic media for personal purposes shall observe the following:

- The employee may not set up or update the employee's personal social network page(s) using the district's computers, network, or equipment.
- The employee shall limit use of personal electronic communication devices to send or receive calls, text messages, pictures, and videos to breaks, meal times, and before and after scheduled work hours, unless there is an emergency or the use is authorized by a supervisor to conduct district business.
- The employee shall not use the district's logo or other copyrighted material of the district without express, written consent.
- An employee may not share or post, in any format, information, videos, or pictures obtained while on duty or on district business unless the employee first obtains written approval from the employee's immediate supervisor. Employees should be cognizant that they have access to information and images that, if transmitted to the public, could violate privacy concerns.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators' Code of Ethics, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus. These restrictions include:
  - Confidentiality of student records [See Policy FL]
  - Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law [See Policy DH (EXHIBIT)]
  - Confidentiality of district records, including educator evaluations and private e-mail addresses. [See Policy GBA]

- Copyright law [See Policy CY]
- Prohibition against harming others by knowingly making false statements about a colleague or the school system. [See Policy DH (EXHIBIT)]

See *Electronic Communications between Employees, Students, and Parents*, below, for regulations on employee communication with students through electronic media.

## **Electronic Communications between Employees, Students, and Parents**

### *Policy DH*

A certified or licensed employee, or any other employee designated in writing by the superintendent or a campus principal, may use electronic communications with students who are currently enrolled in the district. The employee must comply with the provisions outlined below. Electronic communications between all other employees and students who are enrolled in the district are prohibited. Employees are not required to provide students with their personal phone number or e-mail address.

An employee is not subject to provisions regarding electronic communications with a student to the extent the employee has a social or family relationship with a student. For example, an employee may have a relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee's child, or a member or participant in the same civic, social, recreational, or religious organization. An employee who claims an exception based on a social relationship shall provide written consent from the student's parent. The written consent shall include an acknowledgement by the parent that:

- The employee has provided the parent with a copy of this protocol
- The employee and the student have a social relationship outside of school;
- The parent understands that the employee's communications with the student are excepted from district regulation; and
- The parent is solely responsible for monitoring electronic communications between the employee and the student.

The following definitions apply for the use of electronic media with students:

- *Electronic communications* means any communication facilitated by the use of any electronic device, including a telephone, cellular telephone, computer, computer network, personal data assistant, or pager. The term includes e-mail, text messages, instant messages, and any communication made through an Internet website, including a social media website or a social networking website.
- *Communicate* means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a *communication*: however, the employee may be

subject to district regulations on personal electronic communications. See *Personal Use of Electronic Media*, above. Unsolicited contact from a student through electronic means is not a *communication*.

- *Certified or licensed employee* means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers.

An employee who communicates electronically with students shall observe the following:

- The employee is prohibited from knowingly communicating with students using any form of electronic communications, including mobile and web applications, that are not provided or accessible by the district unless a specific exception is noted below.
- Only a teacher, trainer, or other employee who has an extracurricular duty may use text messaging, and then only to communicate with students who participate in the extracurricular activity over which the employee has responsibility. An employee who communicates with a student using text messaging shall comply with the following protocol:
  - For each text message addressed to one or more students, the employee shall send a copy of the text message to the employee’s district e-mail address.
- The employee shall limit communications to matters within the scope of the employee’s professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity).
- The employee is prohibited from knowingly communicating with students through a personal social network page; the employee must create a separate social network page (“professional page”) for the purpose of communicating with students. The employee must enable administration and parents to access the employee’s professional page.
- The employee’s communications with any student after regular school hours should be on a as needed basis or for emergency reason and will be closely scrutinized. An employee may, however, make public posts to a social network site, blog, or similar application at any time. The employee does not have a right to privacy with respect to communications with students and parents.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators’ Code of Ethics including:

- Compliance with the Public Information Act and the Family Educational Rights and Privacy Act (FERPA), including retention and confidentiality of student records. [See Policies CPC and FL]
- Copyright law [Policy CY]
- Prohibitions against soliciting or engaging in sexual conduct or a romantic relationship with a student. [See Policy DHB]
- Upon request from administration, an employee will provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with one or more currently-enrolled students.
- Upon written request from a parent or student, the employee shall discontinue communicating with the student through e-mail, text messaging, instant messaging, or any other form of one-to-one communication.
- An employee may request an exception from one or more of the limitations above by submitting a written request to his or her immediate supervisor.
- All staff are required to use school email accounts for all electronic communications with parents. Communication about school issues through personal email accounts or text messages are not allowed as they cannot be preserved in accordance with the district's record retention policy.
- An employee shall notify his or supervisor in writing within one business day if a student engages in an improper electronic communication with the employee. The employee should describe the form and content of the electronic communication.

National criminal history checks based on an individual's fingerprints, photo, and other identification will be conducted on certain employees and entered into the Texas Department of Public Safety (DPS) Clearinghouse. A written notice of resignation should be submitted to the campus principal. Contract employees may resign at any other time only with the approval of the superintendent or the board of trustees. Resignation without consent may result in disciplinary action by the State Board for Educator Certification (SBEC).

The principal is required to notify the superintendent of an educator's resignation following an alleged incident of misconduct for any of the acts listed in *Reports to Texas Education Agency*. The superintendent will notify SBEC when an employee resigns and reasonable evidence exists to indicate that the employee has engaged in one or more of the same acts.

Contract employees dismissed during the school year, suspended without pay, or subject to a reduction in force are entitled to receive notice of the recommended action, an explanation of the charges against them, and an opportunity for a hearing. The timelines and procedures to be followed when a suspension, termination, or nonrenewal occurs will be provided when a written notice is given to an employee. Advance notification requirements do not apply when a contract employee is dismissed for failing to obtain or maintain appropriate certification or when the employee's certification is revoked for misconduct. Information on the timelines and procedures can be found in the DF series policies that are provided to employees or are available online.

## Dismissal of Noncontract Employees

### *Policy DCD*

## **Reports to Texas Education Agency**

*Policy DF, DHB*

## Student Issues

### Equal Educational Opportunities

*Policies FB, FFH*

Blue Ridge ISD does not discriminate on the basis of race, color, religion, national origin, sex, or disability in providing education services, activities, and programs, including vocational programs, in accordance with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Educational Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.

Questions or concerns about discrimination against students based on sex, including sexual harassment should be directed to, Melissa Stiney the district Title IX coordinator. Questions or concerns about discrimination on the basis of a disability should be directed to Missy Douglas, the district ADA/Section 504 coordinator. All other questions or concerns relating to discrimination based on any other reasons should be directed to the Superintendent Student Records

### Student Records

*Policy FL*

Student records are confidential and are protected from unauthorized inspection or use. Employees should take precautions to maintain the confidentiality of all student records. The following people are the only people who have general access to a student's records:

- Parents: Married, separated, or divorced unless parental rights have been legally terminated and the school has been given a copy of the court order terminating parental rights

- The student: The rights of parents transfer to a student who turns 18 or is enrolled in an institution of post-secondary education. A district is not prohibited from granting the student access to the student's records before this time.
- School officials with legitimate educational interests

The student handbook provides parents and students with detailed information on student records. Parents or students who want to review student records should be directed to the campus principal for assistance.

## **Parent and Student Complaints**

### *Policy FNG*

In an effort to hear and resolve parent and student complaints in a timely manner and at the lowest administrative level possible, the board has adopted orderly processes for handling complaints on different issues. Any campus office or the superintendent's office can provide parents and students with information on filing a complaint.

Parents are encouraged to discuss problems or complaints with the teacher or the appropriate administrator at any time. Parents and students with complaints that cannot be resolved to their satisfaction should be directed to the campus principal. The formal complaint process provides parents and students with an opportunity to be heard up to the highest level of management if they are dissatisfied with a principal's response.

## **Administering Medication to Students**

### *Policy FFAC*

Only designated employees may administer prescription medication, nonprescription medication, and herbal or dietary supplements to students. Exceptions apply to the self-administration of asthma medication, medication for anaphylaxis (e.g., EpiPen<sup>®</sup>), and medication for diabetes management, if the medication is self-administered in accordance with district policy and procedures. A student who must take any other medication during the school day must bring a written request from his or her parent and the medicine in its original, properly labeled container. Contact the principal or school nurse for information on procedures that must be followed when administering medication to students.

## **Dietary Supplements**

### *Policies DH, FFAC*

District employees are prohibited by state law from knowingly selling, marketing, or distributing a dietary supplement that contains performance-enhancing compounds to a student with whom the employee has contact as part of his or her school district duties. In addition, employees may not knowingly endorse or suggest the ingestion, intranasal application, or inhalation of a performance-enhancing dietary supplement to any student.

## **Psychotropic Drugs**

### *Policy FFAC*

A psychotropic drug is a substance used in the diagnosis, treatment, or prevention of a disease or as a component of a medication. It is intended to have an altering effect on perception, emotion, or behavior and is commonly described as a mood- or behavior-altering substance.

District employees are prohibited by state law from doing the following:

- Recommending that a student use a psychotropic drug
- Suggesting a particular diagnosis
- Excluding from class or school-related activity a student whose parent refuses to consent to a psychiatric evaluation or to authorize the administration of a psychotropic drug to a student

## **Student Conduct and Discipline**

### *Policies in the FN series and FO series*

Students are expected to follow the classroom rules, campus rules, and rules listed in the Student Handbook and Student Code of Conduct. Teachers and administrators are responsible for taking disciplinary action based on a range of discipline management strategies that have been adopted by the district. Other employees that have concerns about a particular student's conduct should contact the classroom teacher or campus principal.

## **Student Attendance**

### *Policy FEB*

Teachers and staff should be familiar with the district's policies and procedures for attendance accounting. These procedures require minor students to have parental consent before they are allowed to leave campus. When absent from school, the student upon returning to school, must bring a note signed by the parent that describes the reason for the absence. These requirements are addressed in campus training and in the student handbook. Contact the campus principal for additional information.

## **Bullying**

### *Policy FFI*

Bullying is defined by §TEC 37.0832. All employees are required to report student complaints of bullying, including cyber bullying, to [www.anonymousalerts.com](http://www.anonymousalerts.com) The district's policy includes definitions and procedures for reporting and investigating bullying of students and is linked below:

## **Hazing**

### *Policy FNCC*

Students must have prior approval from the principal or designee for any type of "initiation rites" of a school club or organization. While most initiation rites are permissible, engaging in or permitting "hazing" is a criminal offense. Any teacher, administrator, or employee who observes a student engaged in any form of hazing, who has reason to know or suspect that a student intends to engage in hazing, or has engaged in hazing must report that fact or suspicion to the designated campus administrator.
