

Blue Ridge ISD TAPR Update

Comparison of 2016-17 performance to 2017-18 performance.

What is TAPR?

The **Texas Academic Performance Reports (TAPR)** pull together a wide range of information on the performance of students in each school and district in Texas every year. Performance is shown disaggregated by student groups, including ethnicity and socioeconomic status. The reports also provide extensive information on school and district staff, programs, and student demographics.
