SECONDARY ASSISTANT PRINCIPAL

Blue Ridge ISD is pleased to introduce the newest member of our leadership team. The Board of Trustees approved the hire of Angel Perez for the secondary assistant principal position. Mrs. Perez's experience as a campus and district leader made her an exceptional candidate.

She also is a "Certified Texas School Business Official" through the Texas Association of School Business Officials (TASBO). Her 15 years of experience in San Angelo ISD spans classroom instruction, academic alternative campus teacher and administrator, and human resources coordinator.
